

Confederation of Indian Industry

To Yi Members,

Knowing your Yi - New Member Induction Meet

Saturday, 22 August: Rudra Spa, Kemp's Corner, Mumbai

Greetings from Yi Mumbai,

I would like to take this opportunity to extend a warm welcome to the Yi group. Yi is a platform for you to participate in and contribute towards our vision to "become the voice of Young Indians globally".

To achieve this, you are cordially invited to the Induction ceremony. We would like to update you on Yi Mumbai's innovative learning events and initiatives which give our members a chance to get involved and network.

The Induction ceremony is an interactive meet where we would also like to have your views and ideas on how we could take the Yi Mumbai chapter forward.

We are privileged to have you with us at Young Indians. Please do block your diary and join us in our endeavour to collectively take Yi forward towards its vision and objectives.
